BLANKET WASH 430

PRODUCT #4300

BLANKET WASH

DESCRIPTION

A mild, fast drying blanket wash for any size press. Blanket Wash 430C offers the same results with a pleasant citrus fragrance.

FEATURES AND USAGE

For use in any size pressroom. Works great from duplicator presses to larger sheetfed presses. This product has a low vapor pressure that meets the Massachusetts ERP Regulations. May be used as a roller wash on smaller presses. Can also be used on duplicator presses equipped with automatic blanket wash units.

TECHNICAL GUIDANCE

POSCO is happy to provide its customers with technical guidance in the use of its products in solving problems encountered by the pressman in any kind of printing operation, anywhere. Please call and ask for technical assistance.

DIRECTIONS

1. Wash blanket with a cloth saturated with solvent.
2. Wipe dry with a clean cloth.

BENEFITS

- Fast drying
- Mild, safe to use formula
- Effective on all size presses
- Low vapor pressure product
- Contains no ozone depleting chemicals
