WASH #7

PRODUCT #1116

BLANKET AND ROLLER WASH

DESCRIPTION

A hard working, effective, all purpose water miscible blanket and roller wash product. Competitive with all leading water miscible washes on the market today.

FEATURES AND USAGE

For use in all pressrooms. Can be used full strength or mixed with water to aid in removing ink, gum glaze and paper residues from rollers and blankets.

TECHNICAL GUIDANCE

POSCO is happy to provide its customers with technical guidance in the use of its products in solving problems encountered by the pressman in any kind of printing operation, anywhere. Please call and ask for technical assistance.

DIRECTIONS

For rollers and blankets: Use full strength for quick results, or mix 25% water to form a strong cleaning emulsion for effective glaze removal.

BENEFITS

- Cost effective product
- Low odor, low irritation potential
- Excellent Step 2 rinse in a two step roller wash system
- Utilizes unique detergent base which cleans effectively when mixed with water
- Low vapor pressure product
